

St. Anne School never posts information if school is open for regular hours. However, inclement weather and other emergency closings will be announced over various radio and television stations that offer this service. These stations are:

<u>Radio stations</u>		<u>TV stations</u>	
WOR	710 AM	WCBS	Channel 2
WINS	1010 AM	WNBC	Channel 4
		Fox	Channel 5
		News12 NJ	Channel 12

Emergency closing and delayed opening information may also be accessed at the school web site, www.stannenj.com. A recorded phone message at 201-796-3353 will also contain information about school closing or delayed opening.

Beginning with the 2010-2011 school year, St. Anne School will also use the *School Reach* system for contacting parents in the event of any emergency. Home phone and cell phone numbers should be current so the information is relayed automatically to the correct contact person.

On mornings of delayed openings, the Elmwood Park buses will begin their routes at 9:05 a.m. Please adjust your bus pick-up time according to the delayed start time. All students must be waiting at their assigned bus stop on time. Bus drivers will not wait for students who are not ready and waiting to board the bus. The South Bergen Jointure Commission which provides the Saddle Brook bus by agreement with the Saddle Brook Board of Education will not provide transportation if the Jointure schools are closed and St. Anne School is open or delayed. Saddle Brook bus riders should **not** expect bus transportation in these situations.

On days of delayed opening, all students must be in school by 9:30 a.m. The instructional day will begin at 9:35 a.m. Dismissal will be at the usual time, 2:40 p.m.

Because of bus transportation, St. Anne School usually does not opt for early dismissal. However, parents/guardians may take their children home without a penalty to recorded attendance if the weather becomes threatening once the school day has begun.

If parents/guardians using the above methods find no announcements of changes to the school schedule, it should be assumed that school will be open regular time.
