

Welcome to Miss Lemke's web page

Dear Parents,

On May 3rd grades 4, 5, and 6 will be going on their class trip to Ripley's Believe It or Not in Times Square. We will be leaving the school at 8:45 am and returning before dismissal. The students should wear either their summer uniform or their gym clothes. They may also bring a camera or cell phone to take pictures at their own risk. There is a gift store so you may want to send some extra money. We will be having lunch at the Villa Restaurant. Lunch consists of one slice of pizza, a fountain soda, and a cookie.

May 4th the third semester progress reports will be issued.

Grades 4 and 5 are going to be making a musical instrument as their science project. Most of the students have already gotten approval from me on what they would like to make. It must be hand/home made. No kits will be accepted as a project. It must make some type of sound. It is due on May 9th, 2012.

6th grade will be creating a safety device to protect an uncooked egg. It is an egg drop project. They should be using household items. They cannot use peanut butter! This project is due May 16th, 2012.

If you need to contact me please do so at: misslemke@stannenj.com or by sending a note to me with your child.

Thank you,
Miss Lemke
