

Mr. Puntasecca – Homeroom 5A

Welcome back! I hope you had a pleasant and restful summer!

This week will be filled with excitement and anticipation!

Grade 5-

Books will be distributed. Please don't forget the book fee! Seats will be assigned. Then we will begin with a worksheet to see how much knowledge each student has as they enter grade 5 in the subjects of religion and social studies. This worksheet will not receive a letter or number grade. It is for diagnostic purposes only.

We will have some fun with "Gridiron Geography." A blank United States map will be labeled. Geography notes on topographical landforms will begin. Historic dates will begin to be explored. Struggles and conflicts of humanity will begin to be studied.

Mass will be held on Friday. This will be the start of a productive, holy school year!

Grade 6-

I will meet with grade 6 on Friday. We will go over classroom rules and policies. Have a great year!

Student council-

We will begin with student council homeroom elections. Then we will begin. I look forward to a great school year!

Missions-

Please be as generous as you can to the mission collection in your child's homeroom. Mission money will be collected at the end of the month.
