Kindergarten and first grade news

Kindergarten and first graders have now learned their alphabet. We are still working on praying in Spanish. We are starting the new year learning colors, shapes and numbers. We will end the year learning about family.

Second grade news

Second graders are working on their booklets. They are learning their body part as we play Simon Says in Spanish. We will also cover family, animals, and items in a classroom.

Third and fourth grade news

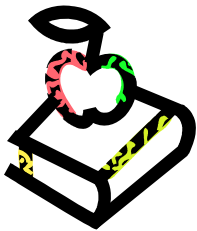

Third and fourth graders are working on their booklets. They are learning their body part as we play Simon Says in Spanish. We will also cover family, animals, and items in a classroom.

Fifth and sixth grade news

Fifth and sixth graders are working on names of objects and school supplies. They are learning to talk about people and items in a possessive format. They are also learning about school days in Spanish countries. We are also reviewing the Our Father in Spanish.

Seventh and eighth grade news

Seventh and eighth graders are working on learning the months. They are learning to express what activities they like and dislike in certain months. They are learning to say when their birthday is. They are learning to interact in a conversation on who is doing what. We are reviewing the Our Father in Spanish.
