Saint Anne School – Tuition & Fee Schedule – 2017-2018

The tuition and fee schedule for the 2017-2018 school year is listed below. The modest increase over the 2016-2017 tuition is both sensitive to the financial situation of many of our families, and fiscally responsible to our school whose expenses continue to escalate. Your contribution to St. Anne Church through online giving or your use of your envelope every weekend at mass continues to be a part of your commitment, not only to our parish, but also to our school. Your weekly contribution is a vital part of our total financial picture, and your faithfulness to this commitment is most appreciated. Our parish is rich in resources for all our parishioners, addressing the many needs and situations we all face. Please consider increasing your weekly contribution so these fine programs, including our school, may continue to flourish. In addition, your commitment to at least two hours of service at the Street Faire on September 15-16-17, 2017 will assist in making this major fund raiser a big success and will help solidify your pledge to the future of our school. Because of your dedication to the Street Faire, the money raised help make much-needed repairs to our school building.
